Dear Mr. Vaart,

I want to thank you for your recent donation to the Vietnam Center and Archive at Texas Tech University and confirm that it has arrived at the archive in good condition. The materials will be cataloged, a finding aid for the collection will be produced, and the materials will be preserved for future generations.

I have enclosed two copies of a deed-of-gift form for your review, signature and return. If you wish to make any amendments to the form, please do so. Please return one of the copies to the archive for our records; the other is for your use.

Sincerely,

A handwritten signature in cursive script that reads "Amy Mondt".

Amy Mondt,
Associate Archivist
